

Satisfies the Intended Parents' contractual obligation to secure insurance in the event of the surrogate's death during pregnancy.

Plan Highlights

- Coverage including loss of support benefit in the event of Surrogate death due to Covid-19
- No medical underwriting and no medical exams
- Quick and easy web-based application process
- Paid benefits to the surrogate's named beneficiaries and/or to the Intended Parents for irrecoverable expenses
- Optional coverages available for:
 - Permanent Total Disablement 'PTD'
 - Loss of Reproductive Organs 'LRO' – including single organ loss
- Surrogate ages 21 to 40 inclusive
- 18- and 24-month policy terms with pro-rata short term extensions available

Surrogate must be fully vaccinated in accordance with the protocols recommended by the Centers for Disease Control and Prevention and unless otherwise agreed, within the Universal surrogate maternity preferred candidate underwriting criteria.

Please contact your insurance broker for additional information and a complete explanation of the applicable coverage terms and conditions. Terms and conditions subject to change.
