

IVF CONNECT- RxCONCIERGE

YOUR
PRICE

\$199

What does the IVF Connect-RxConcierge program provide?

- A prescription savings program offering instant savings for both brand name and generic prescription medications.
- Concierge level of service ensuring patients know how to administer meds correctly and have all their questions answered.
- Convenience of home delivery with no limits on usage.

Are fertility prescription drugs a part of IVF Connect-RxConcierge?

Fertility prescription drugs are eligible for savings, along with meds needed during pregnancy. Your individual savings may vary depending on your particular prescriptions.

How does IVF CONNECT-RxCONCIERGE work?

GETTING PRESCRIPTION DISCOUNTS WITH IVF CONNECT-RxCONCIERGE COULD NOT BE EASIER!

**STEP
1**

Register with ART Risk Solutions.

**STEP
2**

Go to IVF-Connect.com and register. A pharmacy benefit card and online expense tracking will be emailed directly to you.

**STEP
3**

Give the order form to your MD and let them know you have full pharmacy benefits when ordered through IVF-Connect.

**STEP
4**

The order gets placed, and meds are delivered directly to you.

IT'S THAT EASY!
