

MATERNITY CONNECTION

**BEST TIME TO PROCURE:
UPON MATCHING WITH
GESTATIONAL CARRIER**

Maternity Connection was built to solve the toughest surrogacy insurance challenges outside of ACA Open Enrollment. Whether you are facing unexpected coverage gaps or feeling overwhelmed by policy transitions, Maternity Connection offers a clear path forward. With expert guidance and reliable support, it brings peace of mind to Intended Parents and agencies navigating this unique time of year.

<<< MATERNITY CONNECTION >>>

THE SOLUTION TO COVERAGE AND SUPPORT BEFORE THE ACA PLAN BEGINS

REDUCES UNCERTAINTY & COST

Closes a significant coverage gap for GCs using Short-Term insurance in conjunction with IVF Complications insurance while also protecting IPs against unexpected expenses from IVF complications due to exclusions in Short Term policy language.

SIMPLIFIES THE TRANSITION TO AN ACA PLAN

ART Risk coordinates ACA Policy Plan Placement, sparing agencies and Intended Parents the complexities of navigating paperwork and deadlines, while Intended Parents retain full control over policy decisions.

SUPPORT THROUGH EVERY STEP

ART Risk's steadfast dedication to guiding and supporting all parties involved with expertise and CARE throughout the entire process.
