

MEDICAL RECORD RETRIEVAL AND REVIEW

Dedicated Teams

PROVIDING SOLUTIONS FOR YOU

With over 60 combined years experience in insurance, claims, and medical record review, **ART Risk Financial and Insurance Solutions, NES Assurance, and New Life Agency** are proud to offer a much-needed service. ART Risk Solutions is a leader in innovation within the insurance market. Teamed with NES Assurance, a well versed TPA in maternity medical claims, and New Life Agency, we are proud to offer a comprehensive service for obtaining medical records, writing a findings report, and pre-certifying your Gestational Carrier for future insurances. Collectively, our companies have a comprehensive understanding of how daunting the tasks at hand may be, and we have a solution to alleviate this stress. We have been collecting, reviewing, and pre-certifying maternity medical records for over 10 years and are excited to now offer this service to all!
