

NES ASSURANCE

RxCONNECT™ PROGRAM

YOUR
PRICE

\$199

What does the RxConnect™ program provide?

A prescription savings program that offers instant savings for your fertility medications on both brand name and generic prescription medication. No limits on usage.

Are fertility prescription drugs a part of RxConnect™ ?

Fertility prescription drugs are eligible for savings. Your individual savings may vary depending on your particular prescriptions.

How does the RxConnect™ work?

GETTING PRESCRIPTION DISCOUNTS WITH THE RXCONNECT™ PROGRAM COULD NOT BE EASIER!

**STEP
1**

Register with ART Risk Solutions.

**STEP
2**

Login online and download the RxConnect™ prescription order form and complete the credit card authorization.

**STEP
3**

Give the order form to your MD. Doctor will then need to fax NESA the script.

**STEP
4**

The order gets placed and meds are delivered direct to you or your MD.

IT'S THAT EASY!

Who can use RxConnect™ ?

- **THOSE WITH LIMITED INSURANCE OR NO PRESCRIPTION COVERAGE** RxConnect™ can reduce out-of-pocket costs.
- **THOSE WITH HEALTH INSURANCE or HIGH DEDUCTIBLE HEALTH PLANS** RxConnect™ may reduce the cost of non-covered medications and in some cases, provides a lower price than insurance prescription copays.
- **THOSE UTILIZING ART RISK SERVICES AND NEW LIFE AGENCY INSURANCE POLICIES.**

**OFFERED EXCLUSIVELY THROUGH
RETAIL BROKERAGE AGENCIES**
